

VERMONT WORKING LANDS ENTERPRISE INITIATIVE

Jay Wilson and Cody Hall

Rupert, VT

Jay Wilson and Cody Hall are young entrepreneurs who are in the beginning stages of their business venture. These are two enthusiastic business owners who are working to keep Vermont's Working Landscape beautiful.

This project will work to expand their business by purchasing a used 4000 series John Deere winch for their 450G Bulldozer. This will help to increase their profits and expand into markets that they have yet to reach into.

Total Working Lands Grant—\$8,000.00

Total Match provided by Jay Wilson and Cody Hall—\$3,250.00
